To act as my agent in respect of the generating station (name as it appears on the Renewables and CHP Register):

Under the below scheme:

The Renewable Energy Guarantees of Origin scheme where the above named agent will, through their Ofgem Register account:

- Administer the accreditation of my generating station, acting as the sole contact with Ofgem for this function.
- Submit output data and other information required to request a REGO under Schedule 1 of the Regulations into the REGO Register on my behalf, acting as the sole contact with Ofgem for this function.
- Request the issue of REGOs and receive on my behalf and for my benefit, the REGOs to which I am entitled, acting as the sole contact with Ofgem for this function (as such I recognise and agree that the REGOs will be held by the agent in their REGO Register account on my behalf and for my benefit).
- Sign on my behalf the electronic statement on the REGO Register confirming that I am entitled to make the request and I have not made a request, nor intend to do so, for the issue of guarantees of origin in another Member State for the same electricity.
- Submit to Ofgem any request, notification, statement or provision of information requested under the Regulations.
